During our nation's 250th Anniversary, come discover the extraordinary and sometimes controversial story of Alexander Hamilton. Go beyond the Broadway musical and discover the real Hamilton: the immigrant, soldier, statesman, visionary, and controversial Founding Father who helped shape the financial future of the United States.

There is much more to this story...

- How did a poor, young immigrant with no wealth, no powerful family, and no political inheritance rise to become one of the most influential men in America?
- How did Hamilton help rescue the new nation from its enormous Revolutionary War debt?
- Why did Washington place such extraordinary trust in him?
- What really happened between Hamilton and the other Founding Fathers, including Jefferson, Adams, and Madison?
- What role did women and scandal play in his remarkable life?
- Why has Hamilton appeared on the $10 bill since 1929?
- Why do some historians describe him as the Father of American Capitalism and the Father of the Federal Government?
- And the man whose life became the Broadway phenomenon Hamilton.

About the Presenter

Joe Fabrizio served as an active duty Marine Corps Officer for 20 years. Upon his retirement in 1995, he became a US History teacher, mostly for the Council Rock School District in Bucks County, PA, until his retirement in 2023. In 2004, he was awarded Newtown Middle School Teacher of the Year. He taught CCD/PREP for 21 years at St. John the Evangelist Church in Yardley. Fully retired now, he travels the country doing religious briefs on Eucharistic Miracles, Marian Apparitions, St. Carlo Acutis, St. Padre Pio, George Washington, and Alexander Hamilton.
